TO BE CREATIVE MEANS
TO BE IN LOVE WITH LIFE.

PERSONAL STATEMENT

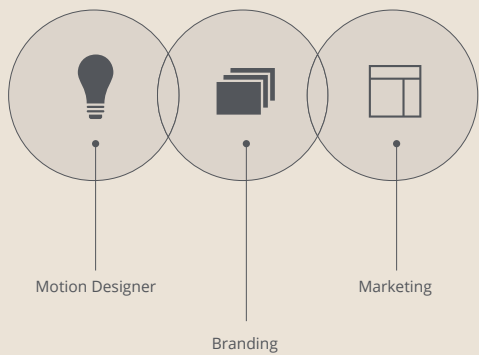

I'm a 26 years old Art Director & Freelance Designer from México City. I love everything that has to do with Marketing & content, UX/UI; Motion graphics, Business administration and i feel devotion to videogames.

I have 4 years of experience working as a freelance and working on diferents companies, i love working with people, specially if they have the same passion i have for what they do.

My professional life has been about challenge, to understand me you just have to be open-minded and optimistic, i believe that all of us as individuals are able to become a successful people, only if we take discipline as our path. For me, the creative persons need to investigate and read about everything and be open to all kind of ideas, experiences.

Why don't we work together? Go futher down to see why I am the man you need to hire!
